Apostles Peter and Paul

FIRST CENTURY
FEAST DAY: JUNE 29

These apostles share a feast as founders of the church in Rome. Peter, a Galilean fisherman chosen by Christ as one of the Twelve Apostles, became the undisputed leader of the fledgling church after Pentecost. Paul, a Pharisee and Roman citizen who had persecuted Christians, became after his dramatic conversion the church's greatest missionary, its "apostle of the gentiles." By tradition both were martyred in Rome. Their adventures are recounted in the Acts of the Apostles, and letters from them are included in the New Testament.

THE KIDS' BULLETIN

13th Sunday in Ordinary Time

Priorities

In today's Gospel reading Jesus says that if we love anyone more than we love Him we are not worthy of Him. What He means is that we need to keep God first in our lives. The two great commandments He gave us are 'Love the Lord your God with all your heart and mind and strength' and 'Love your neighbour as yourself.'

How can we keep God first in our lives? We can start by talking to Him as soon as we start our day. We can tell Him we love Him and offer our day to Him! We also keep God first by following His laws—making sure we go to Mass at least every Sunday and Holy Day of Obligation, and going to Confession when we have a serious sin.

AFTER MASS
WE CAN VISIT
GRANDMA.

I'D LIKE TO PLAY
BUT I HAVE TO
LOOK AFTER MY
BABY BROTHER.

The next most important thing is loving others. God wants us to love and care for the people He has put into our lives. First we must care for our family that He has given us and then our friends and neighbours.

What is the most important thing for you to do today? How can you put God first every day this week?

Assumption School

Millbury, MA

A legacy of learning...a history with heart

Our Assumption Drama Club presented Aladdin this past Saturday, and to say it was spectacular would be an understatement! The students delivered an incredible performance, showcasing months of hard work, dedication, and talent. From the acting and singing to the choreography and stage presence, they truly shined on stage.

A heartfelt thank you goes to Mrs. Zabinski and her team for the countless hours spent organizing rehearsals, helping students learn their lines, and choreographing the production. Their commitment and enthusiasm made this wonderful show possible.

We are also grateful to our alumni who volunteered their time to assist with stage crew, lighting, and sound. It was wonderful to see former students giving back and helping create such a professional production.

Thank you as well to our parents for supporting the cast throughout the process—running lines at home, helping locate costumes, providing transportation to and from rehearsals, and encouraging our performers every step of the way.

Finally, a sincere thank you to our faculty and staff who assisted with the program, coordinated the many details of Tech Week, and helped ensure everything ran smoothly on the day of the performance.

The entire Assumption community should be proud of what was accomplished. It was a truly memorable evening that highlighted the talents, teamwork, and spirit of our students. Congratulations to everyone involved on a fantastic production! I am already looking forward to seeing what our Drama Club brings to the stage next year.

The Miracle of the Eucharist

Throughout time there have been many miracles of the Eucharist, all beginning with Jesus, Himself, at the Last Supper. Transforming the bread and wine into His "Body and Blood". Just to give a few examples: A host in Lanciano, Italy that turned to living heart tissue, studied in 1980s by an atheist scientist who concluded it was blood type AB positive with healthy replicating cells. He became Catholic. A host in Tixtla, Mexico in 2006 that was found actively bleeding. The same blood type as found on the Shroud of Turin. A host in Sokolka, Poland in 2008, where living human heart muscle was found literally woven with wheat on a micro level, something scientists say even NASA couldn't replicate. And it all points to the same truth Jesus declared in John chapter 6: *This is MY body*.

But the miracles aren't the real point. The point is why God would do this. Why being born for us, living for us, and dying for us apparently still wasn't enough. He wanted to be with us, in us, completely.

"Body of Christ". That's God's answer to every question you've ever had about your worth.

How do you view the Mass? Did this reflection change or deepen anything in you?

Faith is surrendering yourself to a person who has given himself to you.

What is one practical way you could bring more intention and presence to your time with Jesus at Mass this week, and every week going forward? (Excerpt from Chris Stefanick 2025)

Men of our parishes, the COR gatherings are the first Sunday of the month at St. Mark's rectory, 9:15am- 10:15am and on the second Saturday of the month at St. Brigid parish office/rectory, 8am-9am. **"It is not good for men to be alone"** (Genesis 2:18). Don't do it alone. Come to COR for encouragement, you'll get good at receiving it from God.

May God's Peace, Love and Mercy be with you and your family,
